Advisory Action

Application No.

10/053,540

Applicant(s)

BROWN ET AL.

Examiner

Thomas J. Mullen, Jr.

Art Unit

2632

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

THE REPLY FILED 26 November 2004 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. Therefore, further action by the applicant is required to avoid abandonment of this application. A proper reply to a final rejection under 37 CFR 1.113 may only be either: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.

PERIOD FOR REPLY [check either a) or b)]

- a) ☐ The period for reply expires _____ months from the mailing date of the final rejection.
- b) ☒ The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection. ONLY CHECK THIS BOX WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).

Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

1. ☐ A Notice of Appeal was filed on _____. Appellant's Brief must be filed within the period set forth in 37 CFR 1.192(a), or any extension thereof (37 CFR 1.191(d)), to avoid dismissal of the appeal.
2. ☒ The proposed amendment(s) will not be entered because:
- (a) ☒ they raise new issues that would require further consideration and/or search (see NOTE below);
 - (b) ☐ they raise the issue of new matter (see Note below);
 - (c) ☒ they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
 - (d) ☒ they present additional claims without canceling a corresponding number of finally rejected claims.

NOTE: SEE ATTACHED.

3. ☐ Applicant's reply has overcome the following rejection(s): _____.
4. ☒ Newly proposed or amended claim(s) 22,24-28 and 30-33 would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).
5. ☐ The a) ☐ affidavit, b) ☐ exhibit, or c) ☐ request for reconsideration has been considered but does NOT place the application in condition for allowance because: _____.
6. ☐ The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.
7. ☒ For purposes of Appeal, the proposed amendment(s) a) ☒ will not be entered or b) ☐ will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.

The status of the claim(s) is (or will be) as follows:

Claim(s) allowed: _____.

Claim(s) objected to: 12,21,29,40 and 44.

Claim(s) rejected: 1-5,7,9-11,13-20,22,24-28,30-38 and 41-43.

Claim(s) withdrawn from consideration: _____.

8. ☐ The drawing correction filed on _____ is a) ☐ approved or b) ☐ disapproved by the Examiner.
9. ☐ Note the attached Information Disclosure Statement(s) (PTO-1449) Paper No(s). _____.
10. ☐ Other: _____

Art Unit: 2632

NEW ISSUES REQUIRING FURTHER CONSIDERATION AND/OR SEARCH

Newly presented claims 45, 46 and 62 supposedly correspond to previously presented claims 21, 44 and 12 (respectively), rewritten in independent form; however, each of the newly proposed claims lacks at least the "obtaining" step of original claim 1 (from which claims 21, 44 and 12 depend, directly or indirectly), i.e. "obtaining identity information regarding an entity which enters a controlled space".

OTHER ISSUES

- (i) The proposed amendment presents 32 additional claims (45-76) without cancelling a corresponding number of finally rejected claims.
- (ii) The proposed amendment cancels claims 13 and 17 (among others), yet includes claims 42-44 each of which depends from one of these cancelled claims; thus, the scope (or proper dependency) of claims 42-44 cannot be determined.
- (iii) Regarding the objection to the drawings set forth in the final rejection as to the subject matter of claims 14, 18, 31 and 34 not being shown, the proposed amendment removes the "telephone communication link" or "telephone interface" from claims 14, 18 and 31, but not from claim 34.
- (iv) In proposed claims 45 and 46, next-to-last line in each claim, "the status" is indefinite as there are two prior recitations of "status" (i.e. "status information" and "defective status"), and it is unclear which is intended.
- (v) Also in proposed claim 45, next-to-last line, it is unclear whether "an item" refers to one or more of the "objects" previously recited.
- (vi) In proposed claim 3, it appears that "other movement or status" should be simply -- movement--, in view of the corresponding changes (or new recitations) in claims 4, 12, 15, 48-49 and 64-65.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas J. Mullen, Jr. whose telephone number is 571-272-2965. The examiner can normally be reached on Monday-Thursday from 6:30 AM to 4 PM. The examiner can also be reached on alternate Fridays.

Art Unit: 2632

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel Wu, can be reached on (571) 272-2964. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 571-272-2600.
